Subject: Comments of the Comptroller and Auditor General of India under section 143(6)(b) of Companies Act, 2013 on the Accounts of West Bengal Essential Commodities Supply Corporation Ltd. for 2016-17

Sir,

I am forwarding the Comments of the Comptroller & Auditor General of India under Section 143(6)(b) of the Companies Act, 2013 on the accounts of **West Bengal Essential Commodities Supply Corporation Limited for the year ended 31 March 2017** for placing the same in the Annual General Meeting of the Company.

Yours faithfully,

Encl. : As stated.

Sr. Dy. Accountant General (AMG-I)

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF WEST BENGAL ESSENTIAL COMMODITIES SUPPLY CORPORATION LIMITED FOR THE YEAR ENDED 31 MARCH 2017

The preparation of financial statements of West Bengal Essential Commodities Supply Corporation Limited for the year ended 31 March 2017 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 08.06.2022.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of West Bengal Essential Commodities Supply Corporation Limited for the year ended 31 March, 2017 under Section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditor and Company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6)(b) of the Act which have come to my attention and which in my view is necessary for enabling a better understanding of the financial statements and the related Audit Report.

A. Comments on disclosure :

The season of procurement of food grains spreads from October to September and Financial year of the Corporation is from April to March. The procurement billing date does not commensurate with the Financial year billing date. Reconciliation of records between procurement section and accounts section has not been done. Hence, actual amount arises against procurement at a particular cut-off date could not be determined.

The date of Procurement Billing and financial year for which accounting for purchase as well as creditor determination is done should have been properly disclosed in the notes on accounts as well as in the significant accounting policy.

B. General

B.1. Short term loans and advances (Note - 16)

Recoverable from sugar equalization fund (FCI) – Rs 1.66 crore

Above represents sugar equalization fund which has no transaction since April 2014. As there is no detail record in this regard, chance of recovery of the amount is remote.

**B.2. Cash and Bank Balances (Note: 15)****B.2.1 Balances with Banks (Note:15)**

Savings A/c: Rs. 0.98 crore

Current A/c: Rs. 304.39 crore

- (i) The Closing Balance of Current Bank Accounts included Closing Bank Balances of five Savings Bank accounts of Rs. 74.54 crore.
- (ii) As per Note 15- "**Cash and Bank Balance**", there were 126 savings and current bank accounts. Out of 126 accounts Bank Statements, 16 accounts were produced to audit. Bank Statements/ Balance Confirmation Certificates against 110 Bank accounts (balance of Rs. 144.71 crore as per annual accounts) were not produced to audit.

Moreover, as per annual accounts there were investment in fixed deposits of Rs. 77.00 crore with IDBI bank. Out of Rs. 77.00 crore, documents in support of fixed deposit i.e. fixed deposit certificates of Rs. 26.00 crore only were produced before audit.

INDEPENDENT AUDITOR'S REPORT

To the Members of

WEST BENGAL ESSENTIAL COMMODITIES SUPPLY CORPORATION LTD

(CIN - U51909WB1974SGCO29308)

Report on the Standalone Financial Statements

We have audited the accompanying Standalone financial statements of **WEST BENGAL ESSENTIAL COMMODITIES SUPPLY CORPORATION LTD** ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The management and Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014.

This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment,

including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's management and Board of Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our **qualified audit opinion** on the standalone financial statements.

➤ **Basis for Qualified Opinion :-**

1. The Company has changed the purchasing policy from Khariff Monsoon Season (KMS) 2016-17. Earlier the Company had entered into agreements with the societies and miller, who purchased paddy on behalf of the Company and subsequently delivered the merchandise i.e. rice to the Company up to the KMS 2015-16. But from KMS 2016-17 the Company has laid down a system of direct purchase of paddy from farmers and to delivered the paddy to miller for processing. Therefore, the Company is the absolute owner of the paddy / rice held with the miller / societies. From the detailed analysis of the Financial Statements, it is found that the stock of paddy / rice held as on 31.03.2017 as closing inventory amounting to Rs. 4938,89,20,700/-, whereas the sale in KMS 2016-17 for the period from 01.04.2017 to 30.09.2017 is amounting to Rs. 24,257,738,696.72/- and purchase for the respective period amounting to Rs. 8,734,354,496.36/- as per the accounting record / statements provided to us. Hence, we could not comment on whether there is any understatement of sale or over statement of purchase during KMS 2016-17.
2. Further the Company has not laid down a system of physical verification of closing stock at the end of the financial year. Hence, we could not comment whether the value of Closing Inventory amounting to Rs. 4938,89,20,700/- is correct or not.
3. Further we have verified the Gross Margin of procurement and delivery of rice from Financial Statement and as per WQSC Report and compared Gross Margin from approved cost statement of the corporation. From the above we observed as follows-

Particular	As per Financial Statement 2016-17		As per WQSC report 2016-17	
	Quantity	Value	Quantity	Value
Sale	1,32,75,317	3143,39,59,175	1,10,45,698	2622,41,77,219
Opening Stock	91,36,180	2065,46,44,837	N.A	N.A
Purchase	2,56,34,713	5985,62,10,195	1,10,45,698	2570,16,13,861
Less : Closing Stock	2,14,95,576	4938,89,20,700	N.A	N.A
Gross Profit	31,20,24,843		52,25,63,358	
Overstatement of Loss			21,05,38,515	

As per WQSC report, total sales figure comes to Rs. 2717,64,64,869/-. Whereas the management has explained that there are certain deductions by Department of Food & Supply, Government of West Bengal and Food Corporation of India which amounting to Rs. 95,22,87,650/- which could not be verified by us.

4. The liability towards leave encashment on actuarial valuation as per Accounting Standard 15 of ICAI has not been provided. In absence of the information required, we are not in a position to ascertain the liability towards leave encashment and its impact thereof on the loss for the year vis-a-vis liability as on the date of the Balance Sheet.
5. The Corporation maintains a Group Gratuity Scheme with the Life Insurance Corporation of India (LIC) for payment of gratuity to its employees on retirement, shifting from the GCPE Plan to the Cash accumulation system during 2009-10. As on 31st March, 2017, the Corporation had an unfunded shortfall of Rs. 2,42,33,455/- in the Fund with LIC which was not provided for in the accounts of the Corporation. As a result, the current liabilities have been understatement to the tune of Rs. 2,42,33,455/- with a corresponding understated in the loss for the year as per the valuation adopted by LIC. Further, it is to be stated that no actuarial valuation has been taken as per the provision of A.S.15. Hence in absence of actuarial valuation we are not in a position to comment whether the above value of understatement is full proof or not.
6. Long Term Trade Payables (Note No. 7) includes Rs. 4,77,76,541/- 'Sundry Creditors (Potato)' payable for cold storage rent and processing charges during the procurement of potato in the potato marketing season 2010. In absence of any documents and records we are not in a position to comment on the adequacy or otherwise of the liability.
7. Loss on impairment due to diminution in the values of the tangible assets including plant and obsolete office equipment has not been assessed and considered in the Financial Statements. In absence of such assessment, we are not in a position to ascertain or comment on the impact thereof.
8. Inventory of mustard Oil for Rs. 16,65,441/-, Palmolein Oil for Rs. 1,835/- and Packing Materials for Rs. 2,98,013/- is not Salable or in usable condition as on the date of the balance sheet, and there are some slow moving & non-moving stock in "Roudra Bristi" amounting to Rs. 20,893/- have not been written off and as a result the profit for the year has been understated thereby to that extent with the corresponding overstatement of value of stock as on the date of the balance sheet.
9. Long-term Loans and Advances (Note No. 11) includes the following receivables considered by the company as secured and good without any information regarding the balance outstanding. In absence of adequate details and information we are not in a position to comments on the recoverability of the said amounts:-

	<i>Amount (Rs.)</i>
<i>Interest on Cash Credit Reimbursable from Govt.</i>	<i>4,18,58,971</i>
<i>Recoverable from F&S Dept.(Govt. of WB) (Rice)</i>	<i>4,93,40,702</i>
<i>Recoverable from F&S Dept. (Govt. of WB) (Wheat)</i>	<i>2,22,15,722</i>
<i>Recoverable from F&S Dept. (Govt. of WB)</i>	<i>2,30,02,426</i>
<i>Interest on Advance against procurement of Iron Ore</i>	<i>13,83,76,414</i>

- 10.** Long-term Loans and Advances (Note No. 11) includes further the following receivables considered by the company as unsecured and good without any information regarding the balances outstanding. In our opinion, the balances are un-recoverable and should be provided for accordingly. The non-provision has thus led to understatement of loss for the year by Rs. 158,14,70,260/-breakup of which are as below:-

	<i>Amount (Rs.)</i>
Claims Recoverable (STC)	23,34,212
Recoverable Claims (Cement)	61,87,390
Recoverable Shortage (Gen)	6,25,943

(5)	If the audited entity has computerized its operations or part of it, assess and report, how much of the data in the company is in electronic format, which of the area such as accounting, sales, personnel information, pay roll, inventory etc. , have been computerized and the company has evolved proper security policy for data/software/hardware ?	The Company does not have a system (as presently maintained in customized software) to quantity paddy lying with the Millers for conversion at any point of time as the tagging between delivery of paddy to Millers and receipt of rice from them after conversion is not put into the system. The inventory of paddy lying with Millers has been arrived at on the basis of information of Master Roll and WQSC from Inward Bills. In our opinion, this process does not submitted by the respective Millers. The Company does not have any system for accounting for purchase of paddy on the basis of Procurement (purchases directly from field while simultaneously handing over the payments). Instead, purchases have been accounted for when cheques are en-cashed and debited by bank without verifying whether materials have actually been received or not. This practice of accounting leaves the scope of differences between purchases considered in the account vis-à-vis actual quantities received. In absence of adequate system of accounting of procurement of paddy, as discussed, we are unable to comment on the impact on financial statements, if any. Other areas such as accounting, sales and pay roll are computerized but no security policy for data/software/hardware has been framed.

“ANNEXURE C” TO THE INDEPENDENT AUDITOR’S REPORT

**To the Independent Auditor’s Report of even date on the Standalone Financial Statements of
West Bengal Essential Commodities Supply Corporation Ltd.**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the
Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **West Bengal Essential Commodities Supply Corporation Ltd.** (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India” These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures elected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, ***subject to Qualified Opinion Paragraph of Independent Auditors Report***, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

12. The Income Tax Act, 1961 as may be applicable;
13. Essential Commodities Act, 1955;
14. Right to Information Act, 2005.

I report that the Company does not have any system of reporting the compliance of applicable laws compliance of the laws applicable to the Company, both general and specific. However, as per the management, there have been no fines or penalties or show cause received under the above stated specific laws. While on the subject, the following may be noted :

- a. There are various litigation cases being money suits including cases filed with the DRT against the Company which the Company is contesting as per the documents and explanations provided by the officer of the Company.
- b. The Company has availed loans, viz. potato loan vide Government order in 2009-2010 from West Bengal State Co-operative Bank for specific Government operations being potato operations and other operations being export and import from nine nationalized banks between financial years 2004-2006 which have not been repaid within due time due to which the Corporation has borne interest and DRT cases have been filed for recovery of the outstanding amount during the Audit Period. However, as informed by the Company, as on the date of signing this report the Potato Loan and other EXIM Loans have been repaid to the concerned banks and settled in full.

Management Responsibility :

1. Maintenance of secretarial record is the responsibility of the management of the Company. My responsibility is to express an opinion on the secretarial records based on my audit;
2. I have followed the audit practices and the processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices I followed, provide a reasonable basis for my opinion;
3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company which were provided on draft and unaudited basis;
4. While I have also carried out the physical verification of records but due to prevailing pandemic Covid-19 in the Country I have also relied on the signed and/or unsigned records as made available by the Company through digital mode. Wherever required, I have obtained the Management Representation about the compliance of laws, rules and regulation and happening of events etc;
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedure on test basis;
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Recommendations as a matter of best practice

In the course of my audit, I have made certain recommendations for good corporate practices and to ensure compliance of applicable laws, and the same is provided below:

- a) The minutes of the meeting of board/committee/general meetings are not maintained with consecutive page numbers from the beginning. I have suggested to start such practice from the last minutes so approved.
- b) Rule 13 (2) of the Companies (Accounts) Rules, 2014 provide that the Audit Committee of the company or the Board shall, in consultation with the Internal Auditor, formulate the scope, functioning, periodicity and methodology for conducting the internal audit. The same is not done by the Company for the Audit Period.
- c) Company should obtain certificates for compliance of laws including other specific laws and place before the board and that the certificates obtained may be exhaustive in terms of specifying the relevant laws and their compliances.

**I further report that :**

- a. The internal audit is applicable to the Company but the Company has not obtained the same.
- b. The Board of Directors of the Company is not properly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors inasmuch as the Company does not have the required number of independent directors. Due the same, the composition of the applicable committees is also not complied with and the meetings of such committees have not been held with proper time gaps owing to such non-compliance in composition. Subject to the above, the changes in the composition of the Board of Directors and Key Managerial Personnel that took place during the financial year were carried out in compliance with the provisions of the Act.
- c. Adequate notice is given to all directors to schedule the Board Meetings; agenda and detailed notes on agenda were sent at least seven days in advance as also at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- d. Resolutions have been approved by majority while there were no dissenting views of the members. However, views of the Board members, if any, on any agenda item are recorded as part of the minutes.

I further report that while the Company has adequate system for seeking operative and administrative approvals, the Company however did not have adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines during the Audit Period.

I further report that during the Audit Period, the Company has not incurred any specific event/ action except payment of interest on outstanding loans with respect to potato loan prior to restructuring of the loan repayment schedule by way of budgetary allotment from the Government of West Bengal that can have a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.
